

**761—165.23(312) Application procedure.**

**165.23(1)** An application may be submitted at any time and shall be dated when received in the office of project planning. Once an application has been submitted, no further information shall be accepted from the applicant unless specifically requested by the department.

**165.23(2)** If an application is incomplete, the department shall return the application to the applicant to be resubmitted when complete. A resubmitted application shall be dated when it is received in the office of project planning.

**165.23(3)** An application that is considered but not funded in one funding cycle may be resubmitted for consideration in the next cycle.

**165.23(4)** An applicant may withdraw an application at any time.
